**MEMORANDUM OF UNDERSTANDING (MOU)**

**ON**

**EDUCATIONAL, RESEARCH AND TECHNOLOGICAL COOPERATIONS**

**BETWEEN**

**YAZD UNIVERSITY, IRAN**

**AND**

**G. D'ANNUNZIO" UNIVERSITY OF CHIETI-PESCARA, ITALY**

Recognizing the importance of academic, research and technological cooperation between universities and research centers for active engagement of academic members and researchers and in order to expand the academic relationships, this Memorandum of Understanding is made between **Yazd University** and **G. d'Annunzio" University of Chieti-Pescara**, hereinafter referred to as "YU" and "Ud'A".

1. With the aim of developing and expanding the educational, research and technological cooperation between the two universities, YU and Ud'A have agreed upon the followings:
  - (a) To establish a mutually beneficial relationship built on academic, scientific and research cooperation.
  - (b) To facilitate the exchange and visit of academic members, students, researchers and experts for conducting research, teaching or exchange of ideas.
  - (c) To collaborate in conducting joint research projects.

- (d) To collaborate on joint publication in the means of articles, books, etc.
  - (e) To provide opportunities for professors and researchers to participate in conferences, workshops, training courses, symposia and international meetings of both universities.
  - (f) To promote other academic activities which enhance the above mentioned goals.
2. YU announces its readiness to admit the students of the Ud'A in short-term Persian language programs.
  3. Both universities acknowledge that the visit by faculty and students from one university to the other shall be subject to the entry and visa regulations of the **Islamic Republic of Iran** and **Italy** and shall comply with the regulations and policies of YU and Ud'A.
  4. Exchange of faculty members and/or researchers with the objective of offering courses and realizing research projects are in the areas mutually agreed upon by both universities through prior invitation and in accordance with the procedures and expectations established by each university and host department or research center.
  5. To execute this MOU, both parties intend to set up executive programme on the basis of the mutual agreement.
  6. Both universities agree that financing expenses, including research materials, international and domestic travel, per diem, honoraria and all other costs of the above-mentioned activities shall be subject to mutual agreements and determined on a case-by-case basis. However, each party will make its best efforts to make available university accommodation to visiting faculty and students.
  7. All joint activities will be realized through the mutual agreement and clearly established conditions and mutual obligations of the appropriate university entity.
  8. The termination of this MOU shall not affect the completion of any ongoing activities, projects or other cooperation under this MOU which have not been fully executed at the time of the termination of this MOU.
  9. This MOU shall come into force upon the signature at both parties and shall remain in full force for a period of five years thereafter. If there is any dispute in interpretation of the tenet, the parties shall try to solve these amicably.
  10. Both universities agree that this Memorandum of Understanding is incorporated into, and will provide the foundation and framework for projects jointly developed by academic and administrative units from the two universities and documented in other subsequent agreements.
  11. Neither party may assign or delegate any of its rights or obligations under this agreement without the prior written consent of the other party.

12. The persons who will be in charge of coordinating and developing the projects and activities mentioned above are:
