Incomplete applications, that do not include all the requested documents or that are not duly filled in, will not be accepted.

Students may apply for more than one Master's Degree programme, indicating their preference/s on the Application form.

Art.5 Selection process

The selection process is divided into two stages:

- Stage 1: assessment of the documents submitted by the candidate
- Stage 2: online interview

Art.5.1 Stage 1: assessment of the documents submitted by the candidate

The Committee will assess the documents submitted by the candidate according to the following criteria:

- Academic background and grade point average (score: 0-15)
- Curriculum Vitae (score: 0-10)
- Consistency between the applicant's previous studies and the Master's Degree programme selected for admission (score: 0-15).

At the end of the first Stage the Committee will draw up a provisional ranking on the basis of merit. Only the first 15 candidates on the list will be admitted to the second Stage (online interview). In the event of parity, the younger candidate takes priority.

Candidates admitted to Stage 2 will be notified via email, the provisional ranking list will also be available on the Project's page at www.unich.it.

Art.5.2 Stage 2: online interview

Candidates admitted to Stage 2 of the selection process will be interviewed by the Committee members. The interviewers will assess the candidates' technical skills and educational background, as well as their English language proficiency.

Interviews will be carried out online starting from 22 May 2023.

Candidates will be notified via e-mail about the date and time of their interview; the schedule for all interview sessions will also be available on the Project's page at www.unich.it.

During the interview candidates will be asked to show the *Refugee Identity Card* or *PoR Card* submitted with their application form. A third party must be present to verify the identity of the candidate.

The maximum score awarded is 40 points.

Art.5.3 Ranking list

Candidates with a score lower than 50/80 after Stages 1 and 2 will not be considered eligible.

The final ranking list is issued by the Committee. The final score is determined by the sum of the provisional scores obtained in Stages 1 and 2 of the selection process.

Candidates will be ranked in descending order of points.

The final ranking will then be approved by Rectoral Decree.

Recipients will be notified via e-mail by 7 July 2023. The final ranking list will be available on the Project's page at www.unich.it.

Art.5.4 Acceptance

In order to accept the study grant recipients are required to reply to the notification sent by the University within ten days of receipt.

Failure to reply within such deadline will result in forfeiture of the grant.

The candidate's acceptance of the study grant implies the full acceptance of all the benefits offered by the UNICORE 5.0 Project under the conditions specified in this Call.

The candidate also declares under his/her responsibility that his/her application does not fall within the conditions of incompatibility stated in art. 2 of this Call.

Art.5.5 Ranking scroll and assignment of benefits

In case the eligible recipient does not accept the grant, the "G. d'Annunzio" University will offer the grant to the next eligible recipient in the ranking list. If no eligible candidate is available, the University reserves the right to assign the grant to other eligible candidates included in the ranking lists of partner Universities participating in the Project. Eligible candidates must meet the specific requirements of the "G. d'Annunzio" University Master's Degree programmes.

ART.6 Renewal

Art.6.1 Requirements for renewal

Students are required to earn at least 30 university credits (CFU) by the end of the Academic Year 2023/2024 in order to obtain a renewal of the grant.

If the first-year curriculum of the Master's Degree programme to which the student is enrolled requires less than 60 university credits (CFU), the student is expected to earn half of the required credits for the first year.

In order to maintain the benefits of the grant students are required to earn at least 60 university credits by 10 August 2025.

Students are expected to graduate by the last available session according to their enrolment year, i.e. April 2026.

Art.6.2 Additional renewals

Students who are unable to graduate by April 2026 can apply for an additional 6-month renewal. Renewals will be granted provided that the applicant has earned at least 80 university credits by April 2026. The application for renewal must be submitted to the International and Erasmus Office.

ART.7 Withdrawal

Students who withdraw from their Degree programme will automatically lose all benefits.

ART.8 Data processing

In case of any discrepancy between the Italian and the English version of this Call, the Italian version shall prevail.

Personal data shall be processed in accordance with the European data protection policy, as specified in the Regulations available on the University's website: <https://www.unich.it/privacy> and in compliance with UNHCR policy on the protection of personal data and its Guidance available at: <https://www.refworld.org/docid/55643c1d4.html> and <https://www.refworld.org/docid/5b360f4d4.html>
