Martino Pavignano (Politecnico di Torino), **Luigi Paolantonio** ("G. d'Annunzio" University of Chieti-Pescara), **Alessandro Basso** ("G. d'Annunzio" University of Chieti-Pescara), **Giacomo Di Bartolomeo** (Associazione mille Joule), **Maurizio Perticarini** (Università di Padova)

Participation:

The workshop is free and is open to the participation of international and Italian students

Activities:

During the workshop, the students divided into groups and followed by highly qualified tutors will carry out activities related to digital surveying, digital modelling for management and scheduled maintenance and architectural design of some identified themes. The activities will take place at the project sites and in the Aufidenate Civic Museum in Castel di Sangro, Contrada La Maddalena, 67031 Castel di Sangro. (The museum has a multimedia room, 30 seats, the church, 120 seats, free WIFI). An opening conference will illustrate the most recent researches and projects on the historical heritage of Abruzzo and Castel di Sangro, lessons
