

A comparative assessment procedure by qualification and public discussion for the recruitment of one Researcher with fixed-term employment is hereby announced pursuant to art. 24 paragraph 3 letter a) of the Italian Law 240/2010 (JUNIOR), SSD SECS-P/02 - Economic policy - SC 13/A2 - Economic policy activated for the needs of study and research of the Department of SCIENZE FILOSOFICHE, PEDAGOGICHE ED ECONOMICO-QUANTITATIVE;

- **resolution of the Department** which identified ssd and s.c. (competitive exam sector) for fixed-term full time researcher under art. 24, paragraph 3, letter . a) of Law no. 240/2010: C.d.D. (resolution of Department) of 22/01/2019 prot. 5299 of 30/01/2019;
- **resolution of the Department** which identified the profile according to art. 4, paragraph 4 of the University Regulations: C.d.D. (resolution of Department) of 22/01/2019 Prot. n. 5299 of 30/01/2019;
- **resolution of the Department** which identified weights of elements subject to evaluation: no specific resolutions were taken; please refer to the ranges identified in the procedure ;
- **Academic Recruitment Field: S.C. 13/A2 - Economic policy;**
- **profile: S.S.D. SECS-P/02 - Economic policy;**
- **place of employment:** Department of SCIENZE FILOSOFICHE, PEDAGOGICHE ED ECONOMICO-QUANTITATIVE;
- **specific functions required to the research assistant:**
 - teaching commitment:** the winner is required to teach the courses in the SECS-P/02 Scientific Disciplinary Sector (SSD) of the University, particularly those of the Department of Philosophical, Pedagogical and Economic-Quantitative Sciences for first and second level Italian degrees, Masters and doctorates.;
 - scientific commitment:** The research activity should be based on the theoretical and empirical analysis of the different level of socioeconomic development existing between areas of the same country, with particular reference to the Italian North-South dualism. The research must support the consideration of the local structural characteristics with the “immaterial” economic aspects, from human capital to social capital, which play an increasingly decisive role in the development paths. On these aspects, and following adequate quantitative analyzes, the research should focus on the formulation of socioeconomic development guidelines and policy interventions aimed to define convergence paths, with particular attention to the period of the so-called Great Recession.;
- **Rights and obligations:** as laid down by the provisions in force for the legal status of fixed-term research assistants, and by the current Code of Ethics of the University;
- **Duration:** 36 months contracts can be renewed for only two years if the necessary economics resources are available, as stated by C.d.A.
- **Salary:** the researcher will receive an annual gross salary of € 25.317,88 inclusive of the accrued year-end bonus amounts (tredicesima), equal to the remuneration payable to a full-time permanent researcher confirmed in class 0
- **Maximum number of publications:** 12 (twelve);
- **Foreign language whose adequate knowledge will be assessed with reference to the multi-lingual profile of the University, namely the academic teaching needs in foreign language degree courses:** English;
- **Means of assessment of knowledge of the foreign language, or knowledge of Italian for foreign candidates:** interview;
- **Funding:** own funds departmental budget as per resolution of C.d.A. above;
- **The specific research activity will focus on the following project:** “Economic dualism, development and intangible factors”;
- **Scientific production objectives:** n. 3 works of high scientific value in international journals with referee and presentation of research results in international conferences;
- **Means of assessment of scientific qualification:** by assessment of qualifications, curriculum, scientific production and an interview, under and for the purposes of Art. 24 of Law no. 240/2010.
