SCHEDA 3

Il candidato esponga la rendicontazione dei costi del personale nel caso di progetti finanziati su bandi competitivi nazionali

Il candidato esponga gli elementi fondamentali della rendicontazione di progetti finanziati su bandi PNRR, con un focus sulle spese per attrezzature
The objective will be the use of the know-how and the interdisciplinary expertise of the group to learn about the requirements to transfer plasma sources to therapeutic applications, through the involvement of those industrial partners at an early stage. Mutual benefits of the engagement of stakeholders are clear, as this will allow sharing knowledge, establishing new collaborations, possibility to apply for international funding, as well as socioeconomic and technological impact.
Press dissemination will be also considered by allowing a specific session opened to press media as well as to the general public (students, biotechnology companies or everyone interested) during the webinars organized under the banner of the UdA. Finally, raising awareness of the regional and international authorities regarding the promising outcomes of such a new field will be looked for during the organization of the different webinars organized under the banner of the UdA.
SCHEDA 5

Il candidato esponga la struttura organizzativa dell’Università d’Annunzio, approfondendo il ruolo del Consiglio di Amministrazione

Il candidato esponga la rendicontazione dei costi della strumentazione nel caso di progetti finanziati su bandi competitivi nazionali
SCHEDA 1

Il candidato esponga gli elementi fondamentali della rendicontazione di progetti finanziati su bandi PNRR.

Il candidato esponga gli elementi fondamentali del Codice degli appalti
A detailed Data Management Plan will be prepared at the beginning of the project after consultation of all the partners regarding the harmonization of data and metadata collections; standards for collection, processing/normalisation, sharing; storage, backup and archiving. In agreement with open access (OA) regulations, after scientific publication, the corresponding metadata will be available for sharing.
